SORRENTO SOUTH DIRECTORY

Please note that the annual Sorrento South Directory is included in this issue. We remind you that the directory is distributed as a convenience to our residents and that it is not to be used for solicitation purposes or

shared with others outside the community. If there is an error in your listing, please notify Treasurer Debe Van Pelt. The listings of Association Directors are highlighted in bold print.

DIRECTOR CHANGES

We are sorry to report that Angela Bisetti, re-elected to the Board in November 2013, has found it necessary to resign as director and from her post as president due to job related commitments. Vice President Diane Miller has assumed the position as President and Director Noella Santerre has filled the Vice President position. President Miller has appointed Mike Cavallo, 1904 Bayshore, to fill the vacancy on the Board of Directors. These changes were effective earlier this summer.

PERSONALS

We have learned of the passing of Gerhard Pech, 217 Lychee, on January 23, 2014. Our sincere condolences to his wife Lise and family on their loss. Gerhard, a

former Sarasota County Sheriff's Department Deputy, was 78.

ON THE WILD SIDE

We issued a coyote alert in an earlier issue of the TIMES, but a coyote was seen on the golf course recently, so another alert seems to be in order. Did you know they consider small animals prey? Please do not let your cat or small dog become a coyote's meal. Or an alligator's for that matter.

YOU'RE INVITED

Did you know that your dedicated SSPO Board of Directors meets monthly, even during the summer? And that homeowners are always welcome to attend one of their meetings? They are held the second Tuesday of each month at 7 p.m. in the community clubhouse on Dante Circle. This is a good time of year to stop in and see what the board does on your behalf. Or perhaps you're considering becoming a director and want to silently evaluate whether or not you are ready and willing to serve. (We vote on director nominees just 3 months from now at our November annual meeting.) Come and discover what grass roots government is all about!
